PETITION FOR RULEMAKING

Georgia-Carolina Radiocasting Comapny, LLC ("Georgia-Carolina"), by its attorney,
hereby request that the Commission amend the Table of Allotments as follows:

| <u>Community</u> | <u>Current</u> | <u>Proposed</u> |
|-----------------------|---------------------------|------------------|
| Starr, South Carolina | -- | 244A |
| Tignall, Georgia | 244A, (287C3), (212C2) | (287C3), (212C2) |

As seen by the Engineering Statement attached hereto as Attachment 1, adoption of this proposal would be in full accord with the Commission's spacing rules, with a reference point of 34° 19' 1.6"N, 82° 46' 49.1' W. A long-form FCC Form 301 is being filed in simultaneously with this Petition, as required by the Commission's Rules.

Grant of this proposal will allow a first local FM service to be allotted to Starr. Georgia-Carolina will file any necessary expression of interest once Comments with respect to this Petition are accepted, and intends to participate in any auction for the allotment that is held and construct the proposed facility promptly.

As seen by Attachment 2, Starr, South Carolina is an incorporated community. Insofar as Tignall already has service allotted to it, and Starr does not currently have any service associated with it, adoption of this proposal will result in a preferential arrangement of allotments.

Accordingly, Georgia-Carolina Radiocasting Company, LLC respectfully request that this Petition be adopted, and that the Commission issue a *Notice of Proposed Rulemaking* proposing to amend the FM Table of Allotments in the manner specified above.

Respectfully submitted,

**GEORGIA-CAROLINA
RADIOCASTING COMPANY, LLC**
