Re: In the Matter of National Broadband Plan for Our Future: GN Docket Nos. 09-47, 09-51, 09-137; Comments—NBP Public Notice #8 of Intrado Inc. and Intrado Communications Inc.

Dear Ms. Dortch:

On November 12, 2009, Intrado Inc. and Intrado Communications Inc. filed comments in the above-captioned proceedings in response to NBP Public Notice #8. It has come to our attention that Intrado's filing contained minor typographical errors. Attached and filed with this letter is a copy of Intrado's November 12, 2009 comments with those typographical errors corrected as follows: on page 1 (added "Inc." to the end of the title; corrected the spelling of "public" in footnote 1), page 4 (changed "MA", to "MI" in Table 1; corrected the spelling of "Nielsen" in footnote 8), page 9 (corrected the spelling of "public"), and page 15 (eliminated the additional word "to" in the first paragraph). The filing is otherwise the same as that filed on November 12, 2009.

Respectfully submitted,
