Re: In the Matter of National Broadband Plan for Our Future: GN Docket Nos. 09-47, 09-51, 09-137; Comments—NBP Public Notice #25 of Intrado Inc. and Intrado Communications Inc.

Dear Ms. Dortch:

On December 21, 2009, Intrado Inc. and Intrado Communications Inc. filed comments in the above-captioned proceedings in response to NBP Public Notice #25. It has come to our attention that the filing contained minor typographical errors. Attached and filed with this letter is a copy of Intrado's December 21, 2009 comments with those typographical errors corrected as follows: page 2 (corrected the spelling of "public" in footnote 3) and page 7 (changed "Association" to "Alliance"). The filing is otherwise the same as that filed on December 21, 2009.

Please contact us if you have any questions. Thank you for your assistance.

Respectfully submitted,

/s/
