On January 4, 2010, pursuant to FCC Rules, Key Bridge Global LLC hand delivered our Proposal to Administer a TV Bands Database to the Commission.

Attached is a summary of that proposal which highlights some of our solution features we believe may stimulate constructive conversation among the TV bands community.

Key Bridge is a Virginia company and candidate for FCC authorization to administer a TV bands database. The Key Bridge Team's solution is comprehensive and meets or exceeds all of the Commission's technical requirements.
