(6) Description of the Transaction

The Parties. Angles holds blanket domestic Section 214 authority to provide interstate telecommunications services. Angles is a provider of competitive local exchange and interexchange services and began offering service in 2004. Angles is currently authorized to provide competitive local exchange and/or interexchange services in Alabama, Arkansas, Colorado, District of Columbia, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Michigan, Mississippi, Montana, Nebraska, New Jersey, New Mexico, North Carolina, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Dakota, Tennessee, Utah, Vermont and Washington. Of those states, Angles is currently providing service in Alabama, Kentucky, Louisiana, Mississippi, North Carolina and Tennessee. BLC Acquisition Group was recently formed by its principals to purchase Angles, and to consolidate Angles with other competitive local exchange carriers. BLC Acquisition Group itself is not a provider of telecommunications services.

The Transaction.

Pursuant to the terms of an Interest Purchase Agreement, BLC Acquisition Group will purchase 100% of the equity interests of Angles, which will become a wholly owned subsidiary of BLC Acquisition Group. For the Commission's convenience, pre- and post-closing organization illustrative charts are provided as Exhibit A. The transfer of control of Angles will involve no disruption, impairment, or other changes in the entity providing service to customers, the facilities used to provide such services, or the rates, terms and conditions of such service. All existing tariffs will remain in place. In addition, the contact points for customers and Commission inquiries will remain the same after the transfer of control. All existing customer service numbers/operations, contracts and procedures of Angles will remain in place after the

transaction, including procedures relating to billing and repair complaints. Although the transaction will result in a change in the control of Angles, no assignment of authorizations, assets, or customers will occur as a consequence of the transaction. Angles will continue to provide service to Angles existing customers pursuant to Angles authorizations under the same rates, terms and conditions. Accordingly, this transaction will be transparent to the customers of Angles.

(7) Description of Geographic Service Area and Services in Each Area

Transferor. BLC Management LLC d/b/a Angles Communication Solutions currently provides domestic resold intrastate and interstate telecommunications services on a retail basis in the following states: Alabama, Kentucky, Louisiana, Mississippi, North Carolina and Tennessee. Angles is affiliated with the following companies: Dial Tone & More, Inc.; Ren-Tel Communications, Inc.; and SC TX Link, LLC, all of which are wholly owned by Brian Cox, the owner of Angles. These companies are simultaneously filing similar Applications for Approval of Transfer of Control.

Transferee. Angles Acquisition Group, LLC does not provide any domestic telecommunications services in the United States in its own right. Applicants' affiliates provide domestic resold intrastate and interstate telecommunications services on a retail basis as small CLECs in the following states: Alabama; Arkansas; Florida; Georgia, Indiana; Kentucky; Louisiana, Mississippi, Missouri, North Carolina; South Carolina; Tennessee; and Texas.

(8) Qualification for Streamlining

This Application is eligible for streamlined processing pursuant to Section 63.03(b)(2)(i) of the Commission's Rules, 47 C.F.R. § 63.03(b)(2)(i) for the following reasons: (1) Angles and Angles affiliates, as defined in Section 3(1) of the Communications Act ("Affiliates"), combined

hold less than a ten percent (10%) share of the interstate, interexchange market;¹ (2) Angles and Angles Affiliates provide competitive local exchange service only in areas served by dominant local exchange carriers (none of which is a party to the proposed transactions), and; (3) neither Angles nor any of Angles Affiliates is dominant with respect to any service.

(9) Other Pending Commission Applications

None

(10): Special Consideration

None.

(11): Waiver Requests (If Any)

None.

(12): Public Interest Statement

Applicants submit that the transaction will serve the public interest because it brings BLC Acquisition Group's experienced management team to enhance Angles' ability to provide quality local exchange services to its customers. The acquisition will enable Angles to obtain access to additional financial and operational resources from its new parent company. The transfer of control will ensure the ongoing provision of high quality telecommunications to the public, the introduction of new services, and will promote competition in the U.S. telecommunications integration service market for the benefit of all consumers. As evidenced by this application's eligibility for streamlined processing, transactions such as these do not raise anticompetitive concerns for the Commission.² Neither Applicant is (or is affiliated with) an ILEC.

¹ 47 U.S.C. § 153(1); 47 C.F.R. § 63.03(b)(3).

² *Implementation of Further Streamlining Measures for Domestic Section 214 Authorizations*, Report and Order, 17 FCC Rcd. 5517, ¶ 30 (2002).

II. CONCLUSION

For the reasons stated above, Applicants respectfully submit that the public interest, convenience, and necessity would be furthered by grant of this Application.

Respectfully submitted,

Lance J.M. Steinhart
