

## DECLARATION OF WILSON MUDGE

I, Wilson Mudge, hereby declare the following:

1. My name is Wilson Mudge. I am a Partner at Arnold & Porter LLP (“A&P”), which is Outside Counsel to AT&T Inc. in connection with the Commission proceeding *In the Matter of Applications of AT&T Inc. and Centennial Communications Corp. for Consent to Transfer Control of Licenses, Authorizations, and Spectrum Leasing Arrangements*, WT Docket No. 08-246 (“the Centennial Proceeding”).

2. Paragraph 17 of the Protective Order released on March 3, 2009 in the Centennial Proceeding (“the Protective Order”), DA 09-544, requires the return or destruction of NRUF/LNP Confidential Information or materials derived therefrom after the termination of the proceeding. A&P has done so.

3. Specifically, A&P has taken the following steps:

4. All current A&P personnel, including myself, who received access to NRUF/LNP Confidential Information were instructed to delete such information, including analyses or work product containing such information, from their files, including information found in hard copy documents, in electronic documents or files on local or shared electronic drives, and in email. All other such personnel have confirmed to me in writing that they have done this as instructed, and I have done so as well. One person who is no longer employed by A&P also had received access to certain NRUF/LNP Confidential Information. With respect to that person, A&P Information Technology personnel have confirmed that all of his email has been deleted, as have all of his electronic files in locations he identified as potentially containing NRUF/LNP Confidential Information. A search also was made of his former workspace and indices of the

A&P central records repository and any of his hard copy documents found to contain NRUF/LNP Confidential Information were shredded.

5. All electronic files containing NRUF/LNP Confidential Information stored in A&P's shared document management system (access to which files had been restricted) have been permanently deleted from that system by Information Technology personnel of A&P, and such personnel have so advised me.

I declare under penalty of perjury that the foregoing is true and correct. Executed on January 8, 2010.

Signed:   
Wilson D. Mudge
