Re: *WTB Docket Nos. 08-61 and 03-187-Notification of Ex Parte Presentation*

Dear Ms. Dortch:

On January 11, 2010 the Infrastructure Coalition (comprised of CTIA, NAB, NATE, and PCIA) and the Conservation Groups (comprised of the American Bird Conservancy, Defenders of Wildlife, and the National Audubon Society) participated in a meeting hosted by the General Counsel concerning the above docketed proceedings. A list of the meeting's participants is attached.

The Infrastructure Coalition and the Conservation Groups discussed possible interim Antenna Study Registration processing procedures relating to migratory bird issues. The parties agreed to continue to meet to discuss specifics regarding potential interim procedures and report back to Austin Schlick, General Counsel, concerning the status of the discussions.
