

More than a million Americans have called on Washington to protect Net Neutrality – the rule that lets me control my Internet experience.

It's now time for the FCC to respond and enact strong rules to keep the Internet free from blocking, censorship and discrimination.

This is an issue with real consequences for real people. Don't give in to pressure from AT&T, Comcast, Verizon and their lobbyists. Stand with me and other Americans in support of a strong Net Neutrality rule.

Our airwaves have been stolen from us by the huge monopolistic corporations to such a degree that more of the content is given to barking advertising. No wonder a huge proportion of our citizens are suffering from depression. We have to clear back our rights to the airwaves in many ways. Thank you.
