STATEMENT OF COMPLIANCE WITH THE FCC'S CUSTOMER PROPRIETARY NETWORK INFORMATION (CPNI) RULES

Ozark Telephone Company's operating procedures ensure that Ozark Telephone Company is in compliance with the FCC's CPNI Rules because disclosure of, or permitting access to, our customers' CPNI is not allowed without obtaining the requisite customer approval, except as required by law, or the exceptions set forth in 47 U.S.C. §222, and Subpart U of Title 47 of the Code of Federal Regulations; 47 C.F.R. §64.2001 through §64.2011.

Ozark Telephone Company has internal procedures in place to educate our employees about CPNI and the disclosure of CPNI. Our employees are instructed that CPNI is information that relates to the quantity, technical configuration, type, destination, location and amount of use of the telecommunications services subscribed to by any customer of Ozark Telephone Company that is made available to us by the customer solely by virtue of our relationship with our customers; and information contained in the bills pertaining to telephone exchange service or toll service of other carriers that we bill for received by our customers; except that such term does not include subscriber list information.
