Re: *Notice of Ex Parte Presentation – GN Docket No. 09-51*
National Broadband Plan

Dear Ms. Dortch:

On Wednesday, January 27, Syniverse Technologies provided FCC staff the attached slide presentation entitled "LTE roaming – challenges and opportunities." Please include the attached presentation in the public record associated with the above-referenced docket and do not hesitate to contact the undersigned with any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "David J. Robinson", is written over a light blue horizontal line.
