REPLY COMMENTS – NBP Public Notice #30
of the
ASSOCIATION OF PUBLIC-SAFETY COMMUNICATIONS OFFICIALS-
INTERNATIONAL, INC. (APCO)

On January 27, 2010, the Association of Public-Safety Communications Officials-International, Inc. (“APCO”) submitted reply comments in response to the Commission’s *Public Notice*, DA 10-61, released January 13, 2010. The reply comments referenced the “700 MHz ‘D’ Block Public Safety Application Needs Assessment White Paper” prepared on behalf of the Public Safety Foundation of America (“PSFA”), and indicated that a copy of the White Paper was attached for submission in the relevant docketed proceedings. However, the reply comments were submitted inadvertently without the attachment. Therefore, APCO hereby attaches another copy of its reply comments and a copy of the PSFA White Paper.

Respectfully submitted,

ASSOCIATION OF PUBLIC-SAFETY
COMMUNICATIONS OFFICIALS-
INTERNATIONAL, INC.
