RE: Exclusive Service Contracts for Provision of Video Services in Multiple Dwelling Units and Other Real Estate Developments, MB Docket No. 07-51

Dear Ms. Dortch:

On January 28, 2010, Will Johnson and I met with Millie Kerr, Legal Advisor to Commissioner Baker, to urge the Commission not to restrict video providers' ability to enter into bulk billing and exclusive marketing arrangements. These arrangements can offer consumers benefits, such as discounted services, and, unlike cable incumbents' exclusive access agreements, bulk billing and exclusive marketing arrangements do not have the effect of completely foreclosing consumer choice. Additionally, such arrangements can facilitate market entry by providing important tools for new entrants competing against cable incumbents.

Sincerely,

A handwritten signature in black ink that reads "Leora Hochstein".
