Re: In the Matter of Petition of Qwest Corporation for Forbearance Pursuant to 47 U.S.C. § 160(c) in the Phoenix, Arizona Metropolitan Statistical Area – WC Docket No. 09-135

Dear Ms. Dortch:

On October 21, 2009, Qwest Corporation filed, via hard copy, redacted Reply Comments in the above-captioned proceeding. During the uploading to ECFS, certain pages were scanned out of the order in which the Reply Comments and its attachments were actually filed. This letter corrects that situation (as well as the one noted as follows) by refile, via ECFS, the redacted Reply Comments and its attachments in WC Docket No. 09-135. One of the attachments to those Reply Comments was a Declaration of Timothy J. Tardiff and Dennis L. Weisman in Support of the Reply Comments of Qwest Communications. Attached to that Declaration was a white paper entitled Principles of Competition and Regulation for the Design of Telecommunications Policy. It has come to Qwest's attention that there was an error in footnote 73 of that white paper. The citation is corrected in the attached version of the white paper to read "TRO, ¶ 109." and not "TRRO, ¶ 109." The Declaration and white paper contain no confidential information.

Please feel free to contact me at the above contact information if you have any questions.

Sincerely,

/s/Harisha J. Bastiampillai
