RE: *In the Matter of the Federal-State Joint Conference on Advanced Telecommunications Services. CC Docket No. 99-294*

NARUC Nomination of the Honorable Carlito P. Caliboso (Hawaii) to the Federal State Joint Conference on Advanced Services:

Dear Chairman Genachowski,

The Federal-State Joint Conference on Advanced Services was created by the FCC October 8, 1999. On December 23, 2003, the FCC increased the size of the conference to include representatives from seven State commissions. In March 19, 2008, the FCC announced it was reconstituting this conference. Seven State Public Service Commissioners, nominated by the National Association of Regulatory Utility Commissioners serve on this Conference.

Recently, Commissioner Michael Moffet of Kansas stepped down from the Kansas Corporation Commission creating a vacancy. Pursuant to Section 26 of NARUC's *Policy Governing Committees and Representatives*, NARUC's President, David Coen, nominates THE HONORABLE CARLITO P. CALIBOSO (Hawaii Public Utilities Commission) to fill that vacancy. A short biography of Chairman Caliboso is attached.

As is customary, I have e-mailed copies of this letter to Wireline Competition Bureau Chief Sharon Gillett, FCC attorney Amy Bender, and two of your senior advisors - Colin Crowell and Priya Aiyar.

If you have any questions about this nomination, please do not hesitate to call me at 202.898.2207 or jramsay@naruc.org.

Respectfully Submitted
