To Whom It May Concern:

I live at Remington Park in Suffolk, Va and there's a major issue that needs to be addressed:

In 2009 Charter Communications charged RIM, LLC \$95,528.85 for Cable Services. In 2009 Remington Park HOA recieved \$92,489.63 in Cable Bill Contract Assessments.

At the end of 2009, we paid \$3,039.22 of our neighbors cable bill.

Where is my money going? Why should I have to pay for someone else? It's bad enough that what our community pays for services already is outrageous, but to keep on paying more is insane!! It's a struggle to survive everyday! I don't see a stimulus package coming our way to help us out. What will be done about this? I certainly hope that this is tax deductible.

Thank you.
