Re: Comments to Further Notice of Proposed Rulemaking
Amendment of Parts 15, 74, and 90 of the Commission's Rules Regarding Low Power
Auxiliary Stations, Including Wireless Microphones
WT Docket Nos. 08-166, 08-167; ET Docket No. 10-24

Dear Chairman Genachowski:

I am writing you today because I am concerned about how the FCC's rulings could affect my business. I am a professional sound engineer and rely on interference free operation of wireless microphones for the sound reinforcement of the entertainment productions that I work on. I would like the FCC to protect and ensure that wireless microphone users will be eligible for licenses.

Please ensure that any rule changes that the FCC adopts will allow me to obtain an FCC wireless microphone license and continue doing what I am doing now.

If you have any questions regarding these comments, please do not hesitate to contact the undersigned.

Very truly yours,

Nathan Lively
