Re: GN Docket Nos. 09-47, 09-51, and 09-137

Dear Ms. Dortch:

On February 15, 2010, Ariel Pacecca and Paula Boyd of Microsoft Corp. met with Brian David, Jessica Strott, and Adam Gerson of the Commission's National Broadband Task Force. Other meeting participants included Ken Eisner and Lauren Lark of One Economy; Eric Greenman, John Samoza, and Marjorie Dickman of Intel Corp.; Brian Mefford of Connected Nation; and Kerry Murray of Dell Inc. The parties discussed the potential for developing a public private partnership to address the issue of broadband adoption. The discussions included the possibility of making PCs and broadband available to underserved populations and the potential contributions from industry, non-governmental and other entities.

Pursuant to the Commission's rules, a copy of this letter is being filed electronically in the above referenced dockets. Please contact the undersigned if you have any questions concerning this submission.

Respectfully submitted,

/s/ Paula Boyd
