

David Sutphen, co-chair of the AT&T-funded Internet Innovation Alliance, says that Net Neutrality is a "distraction" that "only concerns those already online." Sutphen calls Net Neutrality rules "divisive new regulations," which could have "unintended consequences" for those seeking to bridge the digital divide.

David Sutphen, co-chair of the AT&T (AWFUL TELEPHONE & TELEGRAPH COMPANY) You people are running "neck & neck " with COMCAST for being the GREEDIEST, SLEAZIEST communication providers on the planet !! If your BULL*&%\$ were electricity, I wouldn't need the power company ! Alexander Graham Bell would be rolling over in his grave if he knew how you've abused his invention ! funded Internet Innovation Alliance, says that Net Neutrality is a "distraction" that "only concerns those already online." Sutphen calls Net Neutrality rules "divisive new regulations," which could have "unintended consequences" for those seeking to bridge the digital divide. Preach this &*%# to someone who wants to hear it ! I don't ! Thank You.

Peace ----- Mike.
