**Re: WT Docket No. 08-166, *Revision to Rules Authorizing the Operation of Low Power Auxiliary Stations in the 698-806 MHz Band***

**WT Docket No. 08-167, *Public Interest Spectrum Coalition, Petition for Rulemaking***

**ET Docket No. 10-24, *Low Power Auxiliary Stations, Including Wireless Microphones***

***Ex Parte Communication***

**BY ELECTRONIC FILING**

Dear Ms. Dortch:

We are a house of worship who just spent several \$100K on wireless mic replacements to evacuate the 700Mhz band. We are operating in other TV bands and would like to be able to license our systems so that we have a guarantee of reliability. Our wireless mics are a critical part of our worship services and we cannot have them break-up due to interference.

Respectfully submitted,

Dave Schatzman, Technical Producer
