WT Docket Nos. 08-166, 08-167; ET Docket No. 10-24

Dear Chairman Genachowski:

Yerba Buena Center for the Arts presents contemporary arts and performance. We have two theaters, a screening room, and galleries. In addition to programs we present, our facilities and equipment are used by community arts organizations and dance companies, as well as private rentals. Wireless microphones and intercom are integral to most programs in our theaters, and any interference or interruption would ruin the performance. I would like to request that you protect our wireless microphones from interference and ensure that we will be eligible for licenses.

If you have any question, please do not hesitate to contact the undersigned.

Very truly yours,

Guy Brenner  
Forum Head Technician  
Yerba Buena Center for the Arts
