What could be better than getting a cool new phone from AT&T? Getting a cool new phone for free! Order your new AT&T cell phone or broadband mobile device online and choose from top manufacturers like Pantech, LG, Nokia, Sony Ericsson, and Samsung—all for free! AT&T's free cell phones can save you hundreds of dollars without sacrificing technology, features, or style.

Getting a free phone or broadband device from AT&T is easy. First, order your phone online using AT&T's secure online shopping. Your personal information will be protected by our secure server and automatically encrypted so that it can't be read while traveling over the Internet. Next, choose a cell phone plan with a two-year contract and add the features you need (plus the ones you really want) like wireless Internet, ringtones, games, apps and more. Finally, apply whatever discount applies to you—online discount, refurb discount, or mail-in rebate. That's all there is to it! Your free phone is on its way.

Shopping online at att.com is safe, convenient, easy, and always includes free shipping.
