Important Notification

February 1, 2010

Dear Valued Customer:

In order to continue providing competitive communications services, we will be **discontinuing the provision of Comcast Digital Phone service in your community on March 31, 2010, subject to government approval.**

In most areas, Comcast provides an alternative service called Comcast Digital Voice, which includes unlimited local and domestic long distance along with 12 popular calling features. If you prefer to use another provider, Comcast will cooperate with you through the date of discontinuance to transition your local telephone number(s) where permitted. To learn more about Comcast Digital Voice, please call our Customer Care Department at 703-567-3000. Otherwise, please consult your local telephone directory for a list of other possible providers.

Your action is required! Please note that you must subscribe to another telephone service prior to March 31, 2010, or you will not have access to local, toll or long distance telephone services currently available with Comcast Digital Phone.

The FCC will normally authorize the proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the §63.71 Application of Comcast Phone of Northern Virginia, Inc. Comments should include specific information about the impact of this proposed discontinuance upon you, including any inability to acquire reasonable substitute service.

Sincerely,

Comcast Northern Virginia

Notificación Importante

1 de Febrero de 2010

Estimado y valioso cliente:

Para continuar brindando servicios de comunicaciones competitivos, **discontinuiremos la prestación del servicio de Teléfono Digital Comcast en su residencia el día 31 de Marzo de 2010, mediante aprobación previa del gobierno.**

En la mayoría de las regiones, Comcast ofrece un servicio alternativo llamado Voz Digital Comcast, que incluye llamadas ilimitadas locales y de larga distancia nacional, con 12 populares funciones de llamadas. Si prefiere emplear a otra empresa, Comcast cooperará con usted después de la tacha de discontinuación para transferir su servicio telefónico local al proveedor de su elección y le brindará asistencia para la transferencia de sus números telefónicos locales existentes si eso está permitido. Para conocer más sobre Voz Digital Comcast, llame a nuestro Departamento de Atención al Cliente, al **703-567-3000**. Si no, consulte su directorio telefónico local para encontrar una lista de otros proveedores posibles.

¡Es necesario que usted actúe! Recuerde que usted debe inscribirse a otro servicio telefónico antes del 31 de Marzo de 2010, o no podrá tener acceso a los servicios telefónicos locales, por cargos o de larga distancia actualmente disponible con el teléfono digital de Comcast.

La FCC generalmente autoriza la discontinuación de servicios propuesta, a menos que se demuestre que los clientes no podrían recibir servicios o un reemplazo razonable de otro proveedor, o que la comodidad y la necesidad pública se verán afectadas de manera adversa. Si usted desea oponerse, deberá presentar sus comentarios lo más pronto posible, antes de los 15 días contados desde la fecha en que la Comisión haga pública la notificación de la discontinuación propuesta. Dirija sus comentarios a la Comisión Federal de Comunicaciones (FCC), Oficina de Competencia de Líneas Móviles, División de Políticas de Competencia, Washington DC 20554, con una referencia al artículo §63.71, Solicitud de Comcast Phone of Northern Virginia, Inc. Los comentarios deben también incluir información específica sobre los efectos que tendrá para usted la discontinuación propuesta, por ejemplo la imposibilidad de contratar un servicio de reemplazo razonable.

Atentamente,

Comcast Northern Virginia
