Dear Ms. Dortch:

This is to inform you that on March 3, 2010, Jon Banks and the undersigned, representing the USTelecom Association, met with Angie Kronenberg, Legal Advisor to Commissioner Clyburn, in connection with the docket identified above.

In this meeting, USTelecom urged that the Commission recognize that universal service and intercarrier compensation reform are essential to broadband deployment. USTelecom also urged the Commission to focus on other important issues for which there is widespread agreement that Commission action is necessary, including programs that encourage broadband adoption.

This letter is being filed in the above-referenced docket pursuant to Commission rules.

Sincerely,
