**Re: NBP Public Notice #27; GN Docket Nos. 09-47, 09-51, 09-137; CS Docket No. 97-80**

Dear Ms. Dortch:

On March 3, 2010, Kyle McSarrow, President & CEO of the National Cable & Telecommunications Association (NCTA) and James Assey, NCTA's Executive Vice President, met with Edward P. Lazarus, Chief of Staff, Colin Crowell, Senior Counselor, and Sherrese Smith, Legal Advisor for Media, Consumer and Enforcement issues, all from Chairman Julius Genachowski's office, and William Lake, Chief of the Media Bureau.

In the meeting, Mr. McSarrow and Mr. Assey discussed NCTA's position on video device issues as reflected in (1) Mr. McSarrow's December 4, 2010 letter to William Lake, Chief of the Media Bureau and Carlos Kirjner, Senior Advisor to the Chairman on Broadband, (2) NCTA's December 22, 2009 Comments on the National Broadband Plan Public Notice #27, and (3) NCTA's January 27, 2010 Reply Comments on National Broadband Plan Public Notice #27 – all filed in the above-referenced dockets.

Please do not hesitate to call should you have any questions regarding this filing.

Respectfully submitted,

**/s/ Neal M. Goldberg**
