RE: Notice of Ex Parte Communication  
MB Docket No. 08-82, CSR-7947-Z

Dear Ms. Dortch:

On March 3, 2010, the undersigned and Jared Sher of this Firm, together with Michael Regan, Executive Vice President, Government Affairs and Maureen O'Connell, Senior Vice President, Government Affairs, News Corporation; and Ron Wheeler, Senior Vice President, Content Protection, Fox Group, met with William Lake, Robert Ratcliffe, Kris Monteith, Mary Beth Murphy, Steven Broecker, Alison Neplokh, Nancy Murphy and Brendan Murray of the Commission to discuss matters relating to the use of selectable output control ("SOC") technology as part of the above-referenced proceeding.

In particular, we discussed the arguments made in the SOC waiver petition, submitted to the Commission on May 9, 2008 by the Motion Picture Association of America, Inc. ("MPAA"), of which Twentieth Century Fox Film Corp., a News Corporation company, is a member. We also discussed MPAA's reply comments in the proceeding, submitted to the Commission on July 31, 2008. The petition and reply comments explained that the pro-consumer purpose of the requested waiver is to enable movie studios to offer millions of Americans in-home access to high-value, high definition video content. We also discussed the mechanics and expenses that would be involved in getting new high-value content to consumers' homes. Finally, we reiterated the points made in MPAA's letter to the Commission submitted as part of the SOC proceeding on November 4, 2009.
