Re: Application of CIMCO Communications, Inc., Assignor, and  
Comcast Phone, LLC, Comcast Phone of Michigan, LLC, and  
Comcast Business Communications, LLC, Assignees  
WC Docket No. 09-183

Dear Ms. Dortch:

I am writing to confirm that the Assignees in the above-referenced transaction (Comcast Phone, LLC, Comcast Phone of Michigan, LLC, and Comcast Business Communications, LLC) only seek to acquire the customers and assets of CIMCO Communications, Inc. (CIMCO), and that the Assignees do *not* seek the assignment of any domestic or international section 214 authorizations held by CIMCO. The Assignees currently hold the necessary domestic and international section 214 authorizations to serve the customers that are the subject of the proposed transaction. Although page 9 of the Applicants' October 27, 2009 application and Attachment 1 to the Applicants' IBFS assignment application refer to the assignment of CIMCO's international section 214 authorization, this reference is incorrect; as stated above and in the other sections of the October 27 application (*see, e.g.*, page 1), the proposed transaction is limited to the assignment of customers and assets and does not include any section 214 authorizations.

Please do not hesitate to call if you have any questions.

Sincerely,

/s/ Charles W. Logan
