Re: A National Broadband Plan for Our Future, GN Docket Nos. 09-47, 09-51, 09-137

Dear Ms. Dortch:

On March 5, 2010, Michael Dell of Dell, Inc. spoke by phone to Chairman Julius Genachowski. During this call, Mr. Dell and the Chairman discussed the importance of digital literacy in the United States. Mr. Dell encouraged the Chairman to support ambitious goals around national digital literacy in the National Broadband Plan. He noted that other countries, such as Mexico, Brazil, and China are moving forward with aggressive digital literacy plans, particularly in education.

Pursuant to the Commission's rules, a copy of this notice is being filed electronically in the above-referenced dockets. If you require any additional information please contact the undersigned.

Sincerely yours,

A handwritten signature in cursive script that reads "Kerry E. Murray".
