

Before the FCC decided to pursue Net Neutrality protections, Fox News Channel's Glenn Beck warned his audience that the government was "trying to take over the media." Beck later said that Net Neutrality would "wildly affect your life and free speech" by forcing a "Marxist utopia" on the Internet. a strong case has been made FOR beucracy. Who else but the government will ENSURE equality, justice and freedom? Corporations exist to make a profit, therefore they will enact policies that limit freedom justice and equality.. The government merely exist to prevent perversions of power being used for profit.
