**Re: Notice of Ex Parte Communication, WC Docket Nos. 07-149 & 09-109**

Dear Ms. Dortch:

On March 19, 2010, Mel Clay and Tim Decker, Co-Chairs of the North American Portability Management LLC ("NAPM LLC"), and I, outside counsel for the NAPM LLC met with Austin Schlick, General Counsel, Maureen Duignan, and Diane Griffin of the Office of General Counsel, and William Dever, Ann Stevens, Catherine Seidel and Michelle Sclater of the Wireline Competition Bureau. During the meeting, we discussed the issues outlined in the attached presentation. We also discussed the intent of the NAPM LLC to initiate a Request for Proposal ("RFP") process that would enable a new provider, if selected, to replace Neustar at the expiration of the current contract in 2015. The NAPM LLC anticipates announcing a timeline for the RFP as early as the May 2010 meeting of the North American Numbering Council ("NANC") but no later than the December 2010 NANC meeting. Finally, we discussed the most efficient means for ensuring that the FCC has convenient access to all relevant information about the RFP process that the NAPM LLC intends to use for negotiating the contract(s) for local number portability administration after expiration of the current contract with Neustar.

Pursuant to Section 1.1206(b) of the Commission's rules, a copy of this letter is being filed via ECFS with your office. Please contact the undersigned if you have any questions or need additional information.
