Re: GN Docket No. 09-51
A National Broadband Plan for Our Future

Dear Ms. Dortch:

Cisco Systems had previously provided the National Broadband Plan team with data underlying the Cisco Visual Networking Index forecast. Through a miscommunication, that data was not formally entered into the record at that time. The data is contained in the file attached to this letter.

Please direct any questions relating to this filing to the undersigned.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "Jeffrey A. Campbell".
