GN Docket Nos. 09-51, 09-47, 09-137**

Dear Ms. Dortch:

Yesterday the undersigned and Ann Bobeck met with Sherrese Smith of the Chairman's Office. The purpose of the meeting was to discuss the relationship between low power FM stations, full power FM stations and FM translators. We urged the Commission not to alter the existing relationship between these services.

We also briefly discussed the Third Circuit's decision to lift its stay in the media ownership decision and the upcoming workshops.

Finally, we discussed the recently released National Broadband Report, and the timing of implementation of recommendations for the report. We expressed our interest in working with the FCC to ensure a vibrant future for innovative broadcast services such as HD, multicasting and mobile DTV.

Respectfully submitted,
