

Before the FCC decided to pursue Net Neutrality protections, Fox News Channel's Glenn Beck warned his audience that the government was "trying to take over the media." Beck later said that Net Neutrality would "wildly affect your life and free speech" by forcing a "Marxist utopia" on the Internet. This is what Noam Chomsky refers to as "Stop Thief!"  
You accuse someone else of doing what you just did, or didn't or want to do, etc.
