

Before the FCC decided to pursue Net Neutrality protections, Fox News Channel's Glenn Beck warned his audience that the government was "trying to take over the media." Beck later said that Net Neutrality would "wildly affect your life and free speech" by forcing a "Marxist utopia" on the Internet. Stop treading on our freedoms. Freedom of speech is one of our most fundamental rights. We are a republic and will fight to keep it that way. We say no to Net Neutrality!
