**Re: Notification of *Ex Parte* Communication
PS Docket No. 06-229**

Dear Ms. Dortch:

The Public Safety Spectrum Trust Corporation ("PSST") hereby provides notice of a permitted *ex parte* communication. Yesterday, Chief Harlin R. McEwen, Chairman of the PSST, met with Jamie Barnett, Chief of the FCC's Public Safety & Homeland Security Bureau. The meeting was held at Mr. Barnett's invitation.

The parties discussed the past activities of the PSST and the future role and sustainment of the PSST, as well as how the PSST can support the activities of the proposed FCC Emergency Response Interoperability Center ("ERIC"). The parties also discussed other issues related to the FCC's recent proposals in the National Broadband Plan for a nationwide public safety wireless broadband network, and Mr. Barnett explained that the FCC will now launch a series of proceedings that are intended to move forward with that network.

Pursuant to Section 1.1206(b) of the Commission's rules, I am filing this notice electronically in the above-referenced dockets. Please contact me directly with any questions.

Respectfully submitted,

A handwritten signature in blue ink that reads "Harlin R. McEwen".
