Re: Sirius XM Radio Inc., Request for Additional Time to File Comments

Commission Staff Request that Interested Parties Supplement the Record on Draft Interference Rules for Wireless Communications Service and Satellite Digital Audio Radio Service, WT Docket No. 07-293, IB Docket No. 95-91, GEN Docket No 90-357, RM No. 8610

Dear Ms. Dortch:

Pursuant to Section 1.46 of the Commission's rules, 47 C.F.R. § 1.46, Sirius XM Radio Inc. ("Sirius XM"), by its counsel, requests a one-week extension of time—until April 23, 2010—to file comments on the proposals contained in the Commission's April 2, 2010 Public Notice in this proceeding, DA 1-952.

The Commission's numerous proposed rules raise important, complex and unforeseen technical issues that will require more than the allotted two weeks to address. A brief one-week extension of time will allow Sirius XM and other interested parties to analyze and comment on the proposed rules more fully and provide input that will be more useful to the Commission. This brief extension is even more necessary given the fact that the Commission is not providing an opportunity for reply comments at this time.

Thank you for your consideration of this request.

Respectfully submitted,

/s/ Jennifer D. Hindin
