Dear Ms. Dortch:

This is to advise that the undersigned, representing the Aerospace and Flight Test Radio Coordinating Council ("AFTRCC"), and Paul Sinderbrand, representing the WCS Coalition, spoke with Richard Arsenault, Chief Counsel, Wireless Telecommunications Bureau, yesterday afternoon regarding alternative means of protecting the precise locations of flight test telemetry receive sites as AFTRCC previously has requested.

Messrs. Sinderbrand and Keane apprised Mr. Arsenault of a conversation they had had regarding this issue, and a possible path toward protecting the referenced information while affording parties with a legitimate need-to-know, like the WCS Coalition, access to that information. They agreed to exchange terms for a possible draft agreement and/or protective order.

A copy of this ex parte notification is being filed electronically for inclusion in the referenced Dockets.

Sincerely,

William K. Keane

*Counsel for Aerospace and Flight Test
Radio Coordinating Council*
