Re: Annual 47 C.F.R. S: 64.2009(e) CPNI Certification; EB Docket 06-36  
Annual 64.2009(e) CPNI Certification for 2009  
Date filed: February 26, 2010  
Name of LogiSIP covered by this certification: LogiSIP LLC  
Form 499 Filer ID: **827874**  
Name of signatory: **David Glendenning**  
Title of signatory: **President**

Dear Ms. Dortch:

I, **David Glendenning**, certify that I am an officer of the LogiSIP named above, and acting as an agent of the LogiSIP, that I have personal knowledge that the LogiSIP has established operating procedures that are adequate to ensure compliance with the Commission's Customer Proprietary Network Information ("CPNI") rules located at 47 C.F.R. §64.2001 et seq.

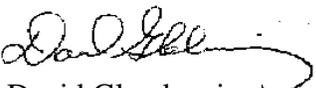

Attached to this certification is an accompanying statement explaining how the LogiSIP's procedures ensure that the LogiSIP is in compliance with the requirements (including those mandating the adoption of CPNI procedures, training, recordkeeping, and supervisory review) set forth in section 64.2001 et seq. of the Commission's rules.

LogiSIP has not taken actions (i.e., proceedings instituted or petitions filed by a company at either state commissions, the court system, or at the Commission against data brokers) against data brokers in the past year. LogiSIP has not received customer complaints in the past year concerning the unauthorized release of CPNI.

LogiSIP represents and warrants that the above certification is consistent with 47 C.F.R. § 1.17 which requires truthful and accurate statements to the Commission. LogiSIP also acknowledges that false statements and misrepresentations to the Commission are punishable under Title 18 of the U.S. Code and may subject it to enforcement action.

If any further information is required, please contact me or our regulatory counsel Kristopher Twomey at 202 250-3413 or by email at kris@lokt.net.

Sincerely,

  
David Glendenning  
President- LogiSIP LLC

## CPNI Compliance Statement and Operating Procedures of LOGISIP

Pursuant to the requirements contained in *Implementation of the Telecommunications Act of 1996: Telecommunications Carriers' Use of Customer Proprietary Network Information and Other Customer Information; IP-Enabled Services*, CC Docket No. 96-115; WC Docket No. 04-36, Report and Order and Further Notice of Proposed Rulemaking, 22 FCC Rcd 6927 (2007) ("EPIC CPNI Order"),<sup>1</sup> David Glendenning, President of LogiSIP, LLC and affiliated entities makes the following statement:

LogiSIP has established policies and procedures to comply with the Federal Communications Commission's (FCC) rules regarding the use, disclosure, and access to section 64.2001 et seq. of the Commission's rules, 47 C.F.R. § 64.2001 et seq. These procedures ensure that LogiSIP is compliant with the FCC's customer proprietary network information (CPNI) rules. The purpose of this statement is to summarize LogiSIP's policies and procedures designed to safeguard CPNI.

LogiSIP has implemented a system by which the status of a customer's CPNI approval can be clearly established prior to the use of CPNI. LogiSIP is engaged in training their personnel as to when they are and are not authorized to use CPNI, and LogiSIP has an express disciplinary process in place.

LogiSIP uses CPNI for the limited purposes of initiating, rendering, billing, and collecting for telecommunications services, and may use CPNI, if necessary, to protect its property rights. LogiSIP does not disclose CPNI or permit access to such CPNI to any third parties other than as necessary to provide service. LogiSIP has established a supervisory review process regarding its compliance with the CPNI rules regarding outbound marketing situations and maintains records for one year. Specifically, sales personnel must obtain supervisory approval of any proposed outbound marketing request for customer approval.

LogiSIP has established procedures to verify an incoming caller's identity. LogiSIP trains its personnel in both the use of CPNI, and protection of its confidentiality. These procedures are detailed in LogiSIP's CPNI Manual. LogiSIP also limits the number of employees that have access to customer information and call data.

LogiSIP has implemented measures to discover and to protect against unauthorized attempts to access CPNI. LogiSIP also has implemented procedures pursuant to which it can track breaches of CPNI, and given such an event will notify the United States Secret Service and the Federal Bureau of Investigation in accordance with the FCC's rules. LogiSIP will track customer complaints regarding CPNI, notify its customers in

<sup>1</sup> 47 C.F.R. S: 64.2009(e) states: "A telecommunications carrier must have an officer, as an agent of the carrier, sign and file with the Commission a compliance certificate on an annual basis. The officer must state in the certification that he or she has personal knowledge that the LogiSIP has established operating procedures that are adequate to ensure compliance with the rules in this subpart. The carrier must provide a statement acLogiSIPing the certification explaining how its operating procedures ensure that it is or is not in compliance with the rules in this subpart. In addition, the carrier must include an explanation of any actions taken against data brokers and a summary of all customer complaints received in the past year concerning the unauthorized release of CPNI. This filing must be made annually with the Enforcement Bureau on or before March 1 in EB Docket No. 06-36, for data pertaining to the previous calendar year."

accordance with the FCC's rules and will maintain a record of notifications to the USSS, FBI, for the time period specified in the FCC's rules.

LogiSIP has not taken any actions (proceedings instituted or petitions filed by a LogiSIP at either state commissions, the court system, or at the Commission against data brokers) against data brokers in the past year. Pretexters have not attempted to access LogiSIP's CPNI. There have been no customer complaints received in the past year concerning the unauthorized release of CPNI.

LogiSIP annually submits a CPNI certification to the FCC from an officer with personal knowledge of the policies and procedures that it has implemented to safeguard CPNI.
