Re: **Addendum to Request for Review**  
CC Docket No: 02-06

Funding year 2006 (7/1/2006 to 6/30/2007)  
Billed Entity Name: San Juan Unified School District  
Billed Entity Number: 144543  
FCC Registration Number: 0012035978  
Form 471 Application Number: 510946

Dear Ms. Dortch:

The purpose of this letter is to provide an addendum to the above referenced Request for Review of Notification of Commitment Adjustment Letters, which was sent to the Federal Communications Commission by FedEx on March 16, 2010, and received at your offices on March 17, 2010, (and signed for by D. Parker).

It has come to our attention that inadvertently one Funding Request Number (FRN) **1405194** was left off Page One (1) of the original Request for Review. There were two Notification of Commitment Adjustment Letters being appealed; both were dated January 18, 2010. In the original Request for Review we cited Funding Request Numbers 1405168 (Wan-Lan Solutions, Inc.) and 1405289 (Cross Telecom Corporation). However, the Notification of Commitment Adjustment Letter for Wan-Lan Solutions, Inc. cited another FRN as well: **1405194**. Although we attached the Notification of Commitment Adjustment Letter to our Request for Review, it was not made explicit that said request pertained to that second FRN. We are making that request explicit herein.

We appreciate your attention to this matter.

Sincerely,

Dr. Pat Jaurequi  
Superintendent of Schools
