CS Docket No. 97-80, GN Docket Nos. 09-47, 09-51, 09-137

Dear Ms. Dortch:

On April 14, 2010, Catherine Bohigian of Cablevision Systems Corp. ("Cablevision") spoke via telephone with Millie Kerr, Confidential Assistant and Staff Attorney to Commissioner Baker. The parties discussed Cablevision's plans to combine its open downloadable security technology with the migration of intelligence and functionality away from a set top box and into the network to reduce costs, increase consumer convenience, and facilitate innovation.

Pursuant to section 1.1206(b) of the Commission's rules, an electronic copy of this letter is being filed electronically with the Office of the Secretary and served electronically on Ms. Kerr. Any questions concerning this submission should be addressed to the undersigned.

Sincerely,

Howard J. Symons
