PETITION FOR WAIVER

HAWORTH INDEP SCHOOL DIST 6

Haworth Indep School Dist 6, Haworth, Oklahoma hereby petitions the Commission to waive the Schools & Libraries' Division (SLD) of the Universal Service Administrative Company's (USAC) guidelines that consider an invoice extension is not filed in a timely manner if the extension is requested more than 120 days after the end of the service delivery date. We are requesting the waiver of the invoice extension request deadline for the following:

Billed Entity	Haworth Indep School Dist 6	
Billed Entity Number	140309	
Form 471 Application #	561929	561929
Funding Request Number	1550556	1550690
Service Provider Name	SBC Long Distance	Texahoma Cellular
SPIN	143008823	143000549
SLC Invoice Number	N/A	N/A
Committed Amount	\$1,339.20	\$1,779.19

The Administrator's decision on Invoice Deadline Extension Request: Denied

According to the Administrator's Decisions (See Attachment 1) :

"Explanation: Current guidelines and procedures require Invoice Deadline Extension requests to be filed by the end of the relevant invoice receipt period for the service category of the FRN requiring an extension (120 days after the end of the service delivery date). The extension request was not filed in a timely manner, so it is denied."

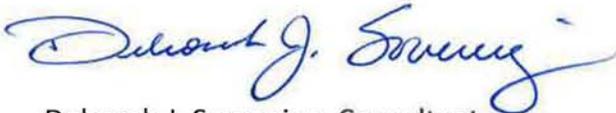

Please review the invoice deadline extension request originally submitted to USAC dated September 29, 2009. The applicant had requested that the service providers discount their bills. However, the discounts were not processed by the service providers because corrective SPIN changes were needed on each of the above listed FRNs. The school district was not aware of the problem until the new Superintendent, Mr. Ted Brewer, took over the administrative duties of E-Rate in August 2009 and upon review found that the disbursements on the above listed FRNs had not been taken care

of. Mr. Brewer contacted Kellogg & Sovereign Consulting, LLC for assistance and to determine why discounts had not been issued. We contacted the providers who informed us that corrective SPIN changes needed to be issued on both FRNs before invoices could be submitted to SLD/USAC. The correct SPIN for FRN 1550556 is SPIN 143001192 (AT&T Long Distance) instead of 143008823 (SBC Long Distance) and the correct SPIN for FRN 1550690 is 143011191 (US Cellular) instead of 143000549 (Texahoma Cellular dba US Cellular).

We understand that the 120 day guideline used by SLD/USAC in determining whether or not to approve invoicing deadline extension requests is necessary to expedite processing. However, in this particular situation, we believe that the change in administration at the district creates circumstances beyond the control of the service provider and is an undue hardship on the school district. The new Superintendent took appropriate action as soon as possible to follow up on the E-Rate funding for FRNs 1550556 and 1550690. Additionally, the district has copies of the bills and cancelled checks related to the funding to document the charges incurred related to both FRNs.

Therefore, we are respectfully requesting a waiver of the SLD guidelines regarding invoice extension requests and respectfully request that an invoice extension be granted for both FRN 1550556 and 1550690.

Respectfully Submitted,

Deborah J. Sovereign, Consultant

Form 471 Application Number	561929	
Funding Request Number	1550556	1550690
Service Provider Name	SBC Long Distance	Texahoma Cellular

SLC Invoice Number	N/A	N/A
Commitment Amount	\$1,339.20	\$1,779.19

Reason for Invoice Deadline Extension Request:

Documentation requirements that necessitate third-party contact or certification and circumstances beyond the service provider's control.

Discussion:

For FRN 1550690, the service provider listed on this funding is Texahoma Cellular, SPIN 143000549. The correct SPIN, however, is US Cellular, SPIN 143011191. Therefore, the applicant needs to process a SPIN change in order for the invoice to be properly submitted. Once the SPIN change is processed, US Cellular will be able to submit a Form 474.

For FRN 1550556, the service provider listed should be SPIN 143001192, AT&T Long Distance instead of SPIN 143008823, SBC Long Distance. The service provider has

recommended that the applicant file an invoice deadline extension request, then submit the SPIN correction on FRN 1550556. Once the SPIN correction is processed, the applicant will be able to file for reimbursement by submitting a Form 472.

The applicant did incur regular monthly charges for E-Rate eligible phone services during the period July 1, 2007- June 30, 2008. They are making copies of their bills in order to file for reimbursement.

Since the applicant did incur eligible charges during the funding year for FRNs 1550556 and 1550690, and since they need the extension in order to file the SPIN corrections and subsequently prepare and submit the BEAR Forms 472, we are respectfully requesting an invoice deadline extension on funding request numbers 1550556 and 1550690.

Respectfully submitted,
