**Re: Notice of Oral *Ex Parte* Communication  
A National Broadband Plan for Our Future, GN Docket No. 09-51  
Development of Nationwide Broadband Data, WC Docket No. 07-38**

Dear Ms. Dortch:

We submit this notice in compliance with Section 1.1206(b) of the Commission's rules.

On April 20, 2010, S. Derek Turner, Research Director for Free Press, met with the following individuals at the Commission: Sharon Gillett, Chief, Wireline Competition Bureau; Randy Clarke, Legal Advisor, Wireline Competition Bureau; Phoebe Yang, General Counsel, Omnibus Broadband Initiative; Steve Rosenberg, Infrastructure Manager, Omnibus Broadband Initiative; Blair Levin, Executive Director, Omnibus Broadband Initiative; and via phone, Rob Curtis, Deployment Director, Omnibus Broadband Initiative.

We principally discussed the findings from the National Broadband Plan concerning infrastructure availability. We also discussed the National Broadband Plan's recommendations regarding further collection and analysis of data regarding broadband availability. Mr. Turner expressed his interest in seeing the Commission come to a quick decision on this matter, as previously outlined in a letter to Chairman Genachowski, filed in the above proceedings on August 11, 2009.

Best,
