RE: GN Docket No. 09-51, GN Docket No. 09-47 and GN Docket No. 09-137

Dear Ms. Dortch:

Pursuant to Section 1.1206(b) of the Commission's rules, this letter will confirm that on Monday, April 26, 2010, Stephen Meer, Craig Donaldson, Natalie Baker, Lynn Stang and the undersigned met with Jeff Cohen, Senior Legal Counsel, Public Safety and Homeland Security Bureau, at Intrado's offices in Longmont, Colorado. During the meeting, we discussed some critical operational challenges in a NG911 environment, such as the need to maintain resiliency and redundancy in handling 911 requests for assistance and the need for standards that allow for enhanced change capabilities and which take into consideration a global communications environment.

Additionally, we discussed Intrado's support of the Public Safety recommendations in the Commission's National Broadband Plan.

Please direct any questions or concerns to me at 720-864-5504.

Sincerely,

/s/

Susan McGurkin
Director, Federal Governmental Affairs,
