Re: Certification Of High Cost Support For Rural Carriers - Competitive ETCs
Pursuant To 47 C.F.R. § 54.314, CC Docket No. 96-45

Dear Ms. Dortch / Ms. Majcher:

On April 9, 2010, the Iowa Utilities Board (Board) issued an order designating eligible carrier status to Minerva Valley Wireless (study area code to be determined). With this letter, the Board hereby certifies that all federal high cost support provided to Minerva Valley Wireless in 2010 in this state will be used only for the provision, maintenance, and upgrading of facilities and services for which the support is intended, consistent with section 254(e) of the Communications Act of 1934, as amended. This includes High Cost Loop support (HCL), Local Switching Support (LSS), and high cost support received pursuant to the purchase of exchanges. The Board bases this certification on the individual carrier certification filed by Minerva Valley Wireless.

If you have questions concerning this matter, please contact Jim Langenberg, a member of the Utilities Board's staff, at (515) 281-5695 or e-mail jim.langenberg@iub.state.ia.us.

Sincerely,

A handwritten signature in cursive script that reads "Judi K. Cooper".
