Re: Notice of oral *ex parte* presentation
WT Docket Nos. 08-61 & 03-187

Dear Ms. Dortch:

On May 3, 2010, representatives of the Infrastructure Coalition (consisting of CTIA–The Wireless Association[®], the National Association of Broadcasters, PCIA–The Wireless Infrastructure Association, and the National Association of Tower Erectors) and the Conservation Groups (consisting of the American Bird Conservancy, Inc., Defenders of Wildlife, and the National Audubon Society) participated in a meeting hosted by the General Counsel concerning the above docketed proceedings. A list of the meeting’s participants is attached.

The Infrastructure Coalition and the Conservation Groups discussed the fact that they have successfully negotiated a memorandum of understanding concerning interim Antenna Survey Registration filings pending the outcome of these proceedings. The executed memorandum of understanding is being filed today under separate cover.

Respectfully submitted,
