The California Public Utilities Commission and the People of the State of California (California or CPUC) submit this motion, requesting that the Federal Communications Commission (FCC) accept the filing of comments one day late. The comments on the proposal by SamKnows were due yesterday, May 4, 2010. Because of a family medical emergency, coupled with the need to attend a hearing before the Ninth Circuit Court of Appeals in Pasadena, the undersigned counsel inadvertently failed to timely submit the comments on the due date. By this motion, the CPUC asks the FCC to accept them filed as of today.

Respectfully submitted,

By: /s/ HELEN M. MICKIEWICZ
