

What are the Information Needs of Communities & Citizens? We have a good local newspaper. There is not enough time to read it, however.

How is Commercial Media Serving Your Community?

Usual cable channels available to everyone. I rely on NPR - thoughtful and informative.

What is the State of Noncommercial, Nonprofit, and Public Media?

Don't know.

What is the Impact of the Internet and Mobile Information?

Massive quantity of cable fed media diverts attention away from the local. There is little attention given to the rich availability of museums, historical sights, restaurants, etc. of this international city. We may as well live in Topeka.
