Re: Notice of Ex Parte Presentation in WC Docket No.07-245; GN Docket No.
09-29; GN Docket No.09-51; WC Docket No. 09-154.

Dear Ms. Dortch:

On May 5, 2010 the undersigned along with Scott Aaronson, Director Government Legal Affairs, Edison Electric Institute ("EEI") met with Angela Kronenberg, Acting Legal Advisor, Wireline to Commissioner Clyburn, in connection with the above referenced proceedings.

In particular, it was indicated that EEI disagreed with the proposal in the national Broadband Plan that the FCC should establish rental rates for pole attachments that are as low and close to uniform as possible because current rates are not compensatory. Further, EEI also urged that with respect to the Commission's upcoming Pole Attachments Order and Further Notice of Proposed Rulemaking, the agency provide the parties sufficient time to comment on the complex issues involved relating to rental rates, timelines, and data collection.
