

What are the Information Needs of Communities & Citizens? I need more local news about my own town and village. Local news gives me the weather and mostly acts of a criminal nature. Never read anything about local elections unless I buy a local paper.

Also would like to know what the local colleges are offering in terms of entertainment. Information about fairs and parades and transient amusement parks could all be available on local TV

How is Commercial Media Serving Your Community?

Local news is limited to weather and crime.

What is the State of Noncommercial, Nonprofit, and Public Media?

This is the only radio I listen to, it's interesting and thorough.

The calibre of the guests is high and one can learn a great deal of information

What is the Impact of the Internet and Mobile Information?

This is usually national and international news/
