

What are the Information Needs of Communities & Citizens? Like Dr. Nina Simone once shouted in the midst of SOME song (please forgive my ignorance of which)
"Tell the children the TRUTH!!!" Not a bad idea or everyone else as well. As an African American THIS GOES DOUBLE FOR My Community. And being that El Hajj Malik Shabazz was born on the 19th of May,
it would be a worthy tribute to him as well.

How is Commercial Media Serving Your Community?
Rather divisively and badly, quite frankly!

What is the State of Noncommercial, Nonprofit, and Public Media?
You're kidding, right?

What is the Impact of the Internet and Mobile Information?
Phenomenal!
