

What are the Information Needs of Communities & Citizens? We need your support for Community media, not Corporate media.

What is the State of Noncommercial, Nonprofit, and Public Media?

We only have one radio station that is nonprofit and it is not fully up and running yet, we need your support to get WXPI off and running to promote community awareness and community involvement. We have no local news stations, no local talent showcase, we really need support to get this information out.
